Douglas Husak and Peter de Marneffe, The Legalization of Drugs: For & Against, Cambridge University Press, 2005, 204pp., $18.99 (pbk), ISBN 0521546869. Reviewed by William Hawk, James Madison University In the United States the production, distribution and use of
marijuana, heroin, and cocaine are crimes subjecting the offender to imprisonment.

The Legalization of Drugs: For & Against // Reviews ...
Douglas Husak argues in favor of drug decriminalization, by clarifying the meaning of crucial terms, such as
legalize, decriminalize, and drugs. Peter de Marneffe argues against drug legalization, demonstrating why drug prohibition, especially the prohibition of heroin, is necessary to protect youth from self-destructive drug use.

Amazon.com: The Legalization of Drugs (For and Against ...
For some drugs, legalization can provide tax benefits along with various treatment opportunities. For strong drugs, the benefits of decriminalizing its use could be less than the risks to society that these drugs cause. Strong drugs can cause behavioural changes that may lead to violence. Safety problems could become worse instead of
Advocates of drug legalization believe that making high-quality drugs cheaply and widely available will eliminate the illegal drug market, regulate quality and price, and decrease law enforcement.
costs including arrest and incarceration.

Drug Legalization | Institute for Behavior and Health
"Speaking Out Against Drug Legalization" The U.S. government began the Drug Use Forecasting (DUF) program in 1987 to collect information on drug use among urban arrestees. In

Page 10/28
1997, the National Institute of Justice expanded and reengineered the DUF study and renamed it the Arrestee Drug Abuse Monitoring (ADAM) program. ADAM is a network of 34 ...

Arguments for and against drug prohibition - Wikipedia
Some people, hearing the words "drug
legalization," imagine pushers on street corners passing out cocaine to anyone -- even children. But that is what exists today under prohibition. Consider the legal drugs, alcohol and tobacco: Their potency, time and place of sale and purchasing age limits are set by law.

Against Drug Prohibition | American
Civil Liberties Union
The legalization or decriminalization of drugs would make harmful, psychoactive, and addictive substances affordable, available, convenient, and marketable. It would expand the use of drugs. It would remove the social stigma attached to illicit drug use, and would send a message of tolerance for drug use.
use, especially to youth.

**Drug Watch International - Against Legalization or ...**

Another key argument against legalization ties into regulating the drug. As an example, the U.S. has a well-defined line in the sand when it comes to driving under the influence of alcohol.
The debate over the legalization of the use and purchase of drugs has been ongoing for years now with opponents and proponents expressing their points of view. In the United States, the
percentage of people in favor of legalizing the use of marijuana rose from a mere 32% to 53% in the last nine years, according to the last conducted survey.

6 Profound Pros and Cons of Legalizing Drugs | NYLN.org
The Legalization Of Drug Legalization.
1310 Words | 6 Pages. Drug decriminalization is opposed by the majority of Americans. Leaders in drug prevention, education, treatment, and law enforcement are against it, as are many political leaders. However, pro-drug advocacy groups, who support the use of drugs, are making headlines.
AGAINST Legalising Drugs: 1. PERSONAL FREEDOM. If they are not harming other people, the government has no right to restrict what consenting adults do in their personal lives. It is the right of every individual to decide whether to take drugs. The taking of drugs is a “victimless crime” where only the user is
Opponents of drug legalization typically focus on the long-term effects of drug use and their spillover effects to third parties, specifically children and teenagers. These are very serious.
concerns, to be sure, but the immediate effects of drug use are by themselves enough to show that recreational drug use is intrinsically antithetical to the good of freedom and personal autonomy.

Besides undermining the black-market incentives to produce and sell drugs, legalization could remove or at least significantly reduce the very problems that cause the greatest public concern: the...
Drug Legalization?: Time for a real debate
The main argument against legalization is that drugs are dangerous. But that’s not the whole story. If you extend that logic of what happened after the Prohibition era to cannabis, ecstasy, and similar drugs, you won’t end up with the violence and fear traditionally
associated with drug deals and so on.

The Case for Legalizing Drugs - Project Know
Why Legalization? Criminal sanctions against drug use are bad policy for at least five reasons: Criminal sanctions against drug use improperly limit the freedom of adults to use substances no
more dangerous than others now available legally and imprison people for actions that do not directly harm others, in contrast to most crimes.
